

Parent Forum AGM

Thursday, 28 August 2008

BROUGHTON HIGH SCHOOL PARENT FORUM AGM Tuesday 16 September at 7pm in the School Library On behalf of the Parent Council, I want to cordially invited to our AGM. Everyone who is a parent/guardian of a school pupil is welcome to come along – and the more of us who can attend, the better it will be. We have been working throughout the year to, among other things, promote a positive partnership between the school, parents, pupils and the wider community. The AGM will be your chance to hear first hand what’s been going on and what we plan to do in the future. Of course the biggest thing this year will be the move to the new school so we will have a presentation on the progress so far. You will also be able to hear about the plans for events around the opening to make this a really special event. And, most importantly, it will be an opportunity to get involved and help out to benefit everyone in the School There will be refreshments served including wine, so please. So I look forward to seeing you on the 16th. Geoff Brown Chair BHS PC
