

SCHOLAR

Wednesday, 07 October 2009

For 5th and 6th year SCHOLAR provides an integrated set of materials and services which meet the needs of both students and their teachers. These include:

- comprehensive online interactive learning materials and activities, including assessments and revision packs
- online services through our virtual learning environment, which give access to online communities, resources, monitoring information, and information tools
- printed study guides which contain key reference materials and learning activities
- tutor notes with valuable curriculum and planning information
